

## **A STUDY OF THE INDUSTRIAL REVIVAL OF MINAMISANRIKU TOWN**

*By* SHINICHI OHKAWAGUCHI

### **〈SUMMARY〉**

The purpose of this paper is to present a political implication relating to industrial revival of Minamisanriku Town in Miyagi Prefecture that suffered heavy damage from the Great East Japan Earthquake. In this paper, I analyze the damage, recovery status and industrial structure of Minamisanriku. Also, I point out the challenges for the industrial recovery in the future. Based on the above, I present the basic idea for the industrial revival of Minamisanriku
